

The Master's Academy

School Profile

Overview

The Master's Academy provides an academically rigorous educational experience that prepares students for successful entrance into university and life. 91% of all Master's Academy graduates attend a college or university of their first choice. The school offers the opportunity to earn up to 30 college credits while still enrolled in high school through their extensive AP course offerings as well as dual enrollment opportunities with local colleges. An innovative J-Term allows for non-traditional course offerings as well as trips and internship opportunities. Additionally, a wide range of co-curricular activities are provided throughout the year for students to grow and develop, all under the experienced, caring teachers in the year round warmth and adventure of the Orlando metropolitan area.
