

### Overview

The Dunham School is located in the southern part of the United States near New Orleans and offers elite academic preparation for universities, substantial ELL support for international students, innovative use of technology, impressive records on student AP test performance, and opportunities to earn substantial college credit while in high school. The school has a special international student center on campus for special academic support and social opportunities. It was named a Distinguished Apple School in 2013 for their use of Macbooks with every student. Students receive university guidance beginning with their freshmen year to map out a plan to achieve acceptance into their universities of choice. The Dunham school also has outstanding fine arts and athletic programs along with modern, state-of-the-art facilities for all classes, performances, and activities.
